## Conventional Sounders

ROLPRS / ROLPRD

MWS424SB / MWS424DB

FX002 / FX002W

**COOPER**

The conventional surface sounder is a general purpose, wall mounted sounder.

Depending on the selected tone, sound levels of up to 105dB(A) can be achieved. Volume is adjustable via the internal volume control, with 32 different alarm tones.

### Benefits and Features

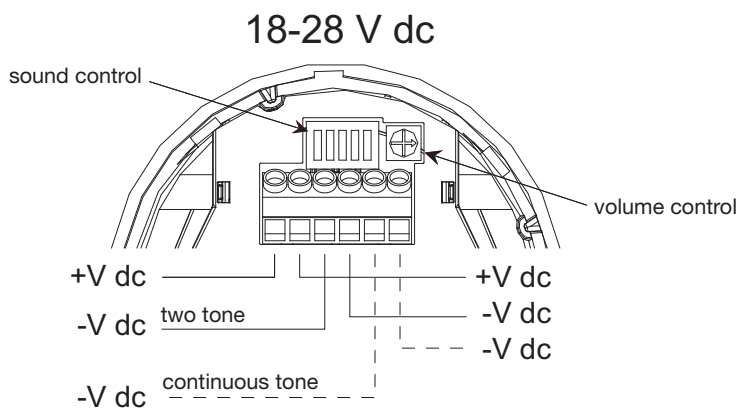

- > Low current
- > Pre drilled cable entries
- > Weatherproof (IP65) version available
